### June Update

The current session of ten swimming lessons finishes at the end of June (28 June 2003). The next main session starts after the summer holiday period on Saturday 7 September and will run for ten weeks.

### Woodlands Swimming – July/August

In the last letter, there was notice of a potential ASA Swimming Teachers course to be run by Woodlands. This is now not taking place.

Derby Phoenix SC have arranged for a “mini” three week course to

fill the gap and the transition to the end of term. These will be on Saturday 5, 12 and 19 July.

The costs of the course will be pro rata to the normal rate (and hence be £9). Please tear of the slip below so we can assess numbers – or just let the teachers know.

The swimmers times and groups will remain the same for ease of convenience.

D squad will continue to operate as normal for these three sessions.

The D squad swimming will not operate at Woodlands over the summer although there will still be swimming at the other locations. More

information will be available on the website or through Alan or Maxene.

### Helping out

During the next session in September, Derby Phoenix is aiming to running some pool side helper courses at Woodlands. These should not disrupt the normal lessons but will mean that there are more adults around than normal. The pool side helpers are need for the swimming galas. Other course (time keeper, life guard, etc) can be arranged if you are interested in helping out.

### Teaching Section to Main Squads

The teaching section operates on a series of ten lessons, each payable in advance. As swimmers progress there is an opportunity to swim with D squad; this is from 3:30 to 4:30 on a Saturday and is the initial transition towards the main club and competitive swimming. The main club fees are set up on an annual joining fee plus monthly subscriptions – there is then the opportunity to swim at other pools at different times to increase the overall pool time available.

The main club enters competitions and holds an annual gala. More information is available from Alan or Maxene – or the Web site at: [www.derbyphoenix.com...](http://www.derbyphoenix.com...)

## July Swimming

I am interested in the “mini” swimming three week course in July and intend to attend. I understand the course fee is £9 and will bring the correct money (or cheque!) to the first one!
